PROFESSIONAL SUMMARY

Dedicated and passionate Academic Tutor with 6+ years of consistent hands-on teaching experience across CBSE, ICSE, and NIOS boards, serving students up to Class 10. Specializes in all core subjects — Mathematics, Science, Social Science — as well as language subjects including English, Hindi, and Sanskrit. Known for simplifying complex concepts into clear, student-friendly explanations using customized lesson plans and visual learning aids. Backed by a strong academic foundation in Computer Science with AI & ML that enables a data-driven, analytical approach to identifying and resolving student learning gaps. Committed to student-centered education, long-term progress tracking, and building genuine academic confidence in every learner.

6+ Years Teaching

3 Boards Covered

TEACHING EXPERIENCE

Academic Tutor — All Core Subjects & Language Subjects

Self-Employed | Kolkata, West Bengal | 2018 – Present (6+ Years)

- Delivered 6+ years of structured, customized tutoring to students across CBSE, ICSE, and NIOS boards, building deep familiarity with all three curricula and their distinct exam patterns.
- Taught all core subjects up to Class 10 including Mathematics, Science, and Social Science, with dedicated expertise in language subjects: English, Hindi, and Sanskrit.
- Designed personalized lesson plans for each student based on their individual learning pace, strengths, and academic gaps — resulting in consistent and measurable progress.
- Developed simplified visual learning aids, summary notes, and concept-mapping tools to make abstract subjects accessible and engaging for diverse learners.
- Conducted regular performance assessments and maintained long-term progress tracking for students across academic years, adapting teaching strategies proactively.
- Supported students through board exam preparation with focused revision schedules, previous year paper analysis, and targeted concept reinforcement.
- Built a strong reputation for patience, clarity, and student-centered teaching, maintaining long-term relationships with multiple families over several academic years.
